Class Description:

Bargello magic – no tiny pieces to sew! Come and learn the secret of beautiful bargello and choose one of three easy designs to get you started. Ideal for Jelly Rolls or using up your scraps as you will be using 2½" strips. If you are confident to cut 2½" strips and piece them in a pleasing order, then you can sew your strip sets before the class otherwise just bring them all along on the day and get started on your Bargello journey.

Fabric Requirements

- Please see following page/s for requirements for each of the three designs.

Equipment:

- Rotary cutter, cutting mat & acrylic ruler
- Sewing machine (don't forget foot pedal, power lead and accessories e.g. feet, bobbins, needles plus your manual).
- Basic sewing kit (scissors, hand needles, thread snips, unpicker, pins, etc.)
- Notepad and pen

Please remember:

- We have 6 sewing machines (Janome M100 QDC) for hire; if you would like to hire one for this class, please do book one in advance – they are available on a first come, first served basis.
- The windows may be opened periodically during the class to allow for adequate ventilation.
- To bring your own equipment where possible.
- Please read the terms and conditions (under "Classes and Demonstrations" on our website).
