Class Description:

Anita loves the By Annie bag patterns so we have brought together a class for her to share them with you. This is a great introduction to By Annie patterns and you will learn simple quilting, adding zips and binding along with possibly using mesh and vinyl in the bags.

Fabric Requirements

You will need to buy the pattern you wish to make - we have a selection of By Annie patterns available in the shop. Please consult your pattern for the specific fabric requirements. Most likely, in addition to your chosen fabric, you will also need zips, foam stabilizer (e.g. Soft and Stable), vinyl or mesh, and webbing for handles.

Anita suggests one of the following patterns:

- Piecekeeper
- Easy Does It
- In Control
- Catch All Caddy

Equipment:

- Sewing machine (don't forget foot pedal, power lead and accessories e.g. feet, bobbins, needles plus your manual).
- 1/4" foot, walking foot and quilting foot for your sewing machine.
- Threads for piecing and quilting
- Wonder Clips
- Basic sewing kit (scissors, hand needles, thread snips, unpicker, pins, etc)
- Notepad, pen and a propelling pencil

Please remember:

- We have 6 sewing machines (Janome M100 QDC) for hire; if you would like to hire one for this class, please do book one in advance – they are available on a first come, first served basis.
- The windows may be opened periodically during the class to allow for adequate ventilation.
- To bring your own equipment where possible.
- Please read the terms and conditions (under "Classes and Demonstrations" on our website).
