Class Description:

Want to finish all those UFOs? Bring along a project you have started with Anita to finish off, or come along and get help starting a new one. Or if you missed a class that you wanted to do, just let us know when you book and Anita will be able to get you started on it.

Fabric Requirements

- Will obviously depend upon the project you are working on!

Equipment:

Again, project dependent, but most likely you will need:

- Rotary cutter, cutting mat & acrylic ruler
- Sewing machine (don't forget foot pedal, power lead and accessories e.g. feet, bobbins, needles plus your manual).
- Basic sewing kit (scissors, hand needles, thread snips, unpicker, pins, etc)
- Notepad and pen

Please remember:

- We have 6 sewing machines (Janome M100 QDC) for hire; if you would like to hire one for this class, please do book one in advance – they are available on a first come, first served basis.
- The windows may be opened periodically during the class to allow for adequate ventilation.
- To bring your own equipment where possible.
- Please read the terms and conditions (under “Classes and Demonstrations” on our website).
