Class Description:

Learn how to create this colourful sunset hoop using textured threads and hand embroidery stitches. You will learn how to layer the textures and how to treat the background whilst enhancing the foreground and adding gold thread highlights to make it pop!

The finished hoop is a 6 inch hoop.

Material Requirements:

Please purchase a kit from the tutor for the textured items (tulle, thread, wools, organza and a 6" hoop). This will cost £5 and is payable to the tutor on the day.

You will need to bring along:

- Two squares of white fabric (cotton, poly/cotton or similar) each one 30cm by 30cm.

Equipment:

- Basic sewing kit: pins, hand embroidery needles, an unpicker, scissors (both large & small sharp ones) etc.
- Embroidery needle: a size 3 embroidery needle works well, but bring along what you have and we will see what works for you. It needs to fit embroidery thread through the eye.
- Notebook & propelling pencil.

Please remember:

- Please read the terms and conditions (under "Classes and Demonstrations" on our website).
- The windows may be opened periodically during the class to allow for adequate ventilation.
- To bring your own equipment where possible (including a travel mug if you have one).
